

Before

I don't want to go gorging so my goal is to not hate it.

My Second goal is

to not get Claustrophobic

My 3rd goal is to go Swimming in the lake.

My last goal is to not wake Up at 3am.

After

I loved gorging it was the best part and lots of people helped me so that was good I

got a little bit

claustrophobic

but not as much and I went

Swimming and it

was fun. I woke up at 6am then 730am yay.

When caving and kayaking, how was I challenged?

Key Competency: thinking

What new things did I learn at camp?(by remaining open to continuous learning)

Key Competency: using language symbols and text

CAMP EVALUATION

What was the highlight of your time at Camp Opouahi?
Why?

Definitely Gorging because I really enjoyed challenging myself with all of the little challenges.

If you were able to change anything about the time you spent at camp what would it be?

To change the meals that we cooked for dinner because we cooked the same as last year.

What activities did you find challenging? Why?

Rock traversing because I thought it was going to be easy but the start was really challenging.

How did you personally help to make the camp more enjoyable for everyone?

I helped everyone at the end of the gorge by telling them what to do and where to go.

Would you do anything differently next time?

No I wouldn't it was very enjoyable.

Do you have any suggestions on how to improve camp for next for year?

To change the meals for cooking.

CAMP RATING Terrible 1 2 3 4 5 6 7 8 9 10 Fabulous

Key Competencies

Thinking:

Relating to Others:

Participating:

Habits of Mind

At camp you displayed the following :

A special message from _____

[illegible]

Key Competencies

Thinking: You helped us when you thought about different strategies like the 'spider' in difficult parts during gorging.

Relating to Others: You related to others when the students needed assistance in order to go through waterfalls, holes and difficult areas.

Participating: You fully participated in the whole gorging experience, helping everyone, encouraging and leading us through the gorge.

Habits of Mind

At camp you displayed the following :

- **Persisting:** You persisted when helping those who struggled.
- **Taking responsible risks:** You challenged us with safe challenges such as the waterfall.
- **Applying past knowledge to new situations:** Using strategies such as the 'spider'

A special message from Tayla Lindsay

To Mr Martin

Thankyou very much for taking our group through the gorge at camp.

I really enjoyed being able to help our group at the end of the gorge.

Gorging was by far my favourite activity during camp.

Without you our gorging experience wouldn't have been possible.

From Tayla ☺

Key Competencies

Thinking:

You were especially good at teaching kids how to cook. It was smart thinking leaving us alone to practice because we learnt to be independent in the wilderness.

Relating to Others:

You related well to others while in the gorge because you understood that not everyone was confident.

Participating:

you participated well in every activity, helping other kids.

Habits of Mind

At camp you displayed the following :

- **Finding humour:** you ~~found~~ found humour in us being petrified in the dark.
- **Thinking and communicating with clarity and precision:** you did this when you took us through the gorge.
- **Taking responsible risks:** you did this by leaving us alone.

A special message from Isabella

Dear Tony

Thank-you so much for your help. Without parent help camp and other outings would not be possible.

I loved your rubbish bag rain jacket. I especially enjoyed performing our skit in front of you. And being left alone in the dark - No hard feelings.

We're sorry you didn't get much sleep. zzzzz

Thanks again,

Sincerely

Isabella
